

Community Care Veterinarian

Join Palm Valley Animal Society (PVAS) as a Community Care Veterinarian, where your work transcends typical veterinary duties and becomes a profound service to our shelter and the community. This role is perfect for someone who seeks to make a significant impact through compassionate animal care and community engagement. It's more than a job—it's a commitment to daily improving animal and human lives.

Essential Duties and Responsibilities:

- **Community-Oriented Care:** Provide high-quality, compassionate medical care to shelter animals, ensuring every animal receives the best possible treatment.
- **Surgical Expertise:** We perform routine and specialized surgeries within our state-of-the-art surgical suite. These surgeries include spaying/neutering, dental, and emergency procedures, focusing on safety and minimizing animal stress.
- **Medical Management:** Diagnose and treat various animal illnesses and injuries, maintain accurate medical records, and ensure the highest standards of care.
- **Mentorship and Training:** Inspire and guide our highly trained veterinary technicians and support staff, fostering a collaborative environment that encourages learning and professional growth.
- **Outreach and Education:** Engage with the community to provide education on animal health, wellness, and the importance of veterinary care, enhancing PVAS's role as a trusted resource.
- **Program Development:** Contribute to developing and implementing innovative medical programs that advance the quality of care at PVAS.
- **Population Management and Disease Control:** Addresses disease issues in the shelter by developing and implementing appropriate sanitation and health management protocols.

Minimum Qualifications:

- Doctor of Veterinary Medicine (DVM) degree from an accredited institution.
- Valid, active veterinary license issued by the Texas Board of Veterinary Medical Examiners.
- In good standing with the Texas Board of Veterinary Medical Examiners.
- Experience in shelter medicine, private practice, or community outreach veterinary care.
- Exceptional diagnostic and surgical skills.
- Passion for animal welfare and a deep commitment to serving the community.

Skills and Requirements:

- Compassionate, empathetic, and able to handle sensitive situations with care.
- Strong communication skills, capable of effectively engaging with diverse groups of people.
- Ability to work collaboratively with a team while also taking initiative independently.
- Dedication to continuous learning and staying current with veterinary advancements.

Work Environment:

- The role involves working directly with animals in various conditions, including injured, sick, or frightened ones.
- The position may require flexibility in scheduling, including weekends and occasional evenings, to serve the animals and the community best.
- We offer flexible scheduling and prioritize work-life balance, understanding that your well-being is essential to providing the best care.

Benefits:

- Competitive salary with opportunities for professional development
- Health and dental insurance
- Retirement
- Paid time off
- Flexible scheduling to promote work-life balance

Schedule:

- Full-time or part-time positions available
- Flexible hours to accommodate personal needs
